

AREAS TO WORK ON FROM AROUND THE STATE FOR 2020

Referee--being active and in position to support when trailing plays

- Giving signals that are out in the open for all to see

- Moving between snapper & holder till U is in place on PAT kick and then quickly moving to his spot.

Umpire--working sideline to sideline and not stopping at the hash

- Coordinating walking off penalty administration correctly

Wings--coming out on kickoffs and remind the kicking team to not cross the free kick line and keeping their blocks up

- Proper penalty administration mechanics

- Proper quarter change mechanic

- moving downfield when they read pass and not holding the line of scrimmage

- Goal Line mechanics including breaking to the goal line on the snap (ball inside the five) and crashing in when run ends

- Crashing in when PAT kick ends

Back Judge--Giving up the goal line at the appropriate times including in the middle of a play when you are forced off.

- At quarter change, covering the HL team's conference

- Not taking their fist step backwards on a run play
