Treasurer's Report (Delivered remotely via email)

- All of the "flag football officials" have been paid; and hopefully, all checks have reached their destination.
- We have received one check from Bellingham for \$1030; and I assume one more is coming (fortunately our "cash flow" is strong)
- The website host has been paid \$99 - this will be a continuous payment - but less than we have been paying.
- \$750 has been paid to the summer training camp (for 3 spots). The recipients of this money have yet to be determined.

Assignor's Report

- Middle school football will start on May 1 and/or May 2
- Pete has processed some input from schools associated with the letter that was sent to ADs regarding association coverage limits
